

Electrospinning: From Design and Processing to Advanced Nanomaterials and Applications

Post-Conference Tour – 22nd April 2017 – Mountain villages on Troodos Mountains: Kakopetria, Troodos, Omodos

Visiting points:

- Drive from Nicosia to Kakopetria village
 - Free time for a coffee, walking tour in the picturesque village
 - Visit the Saint Nikolas of the roof church, one of the UNESCO painting churches of the island.
- Continue the trip to Troodos mountains
 - Stop on the highest point of the island, 1952 meters
- Last visit, the picturesque wine village of Omodos:
 - Lunch in a traditional local tavern
 - Visit the Saint Cross monastery
 - Wine tasting in a local cellar/visit the wine medieval press
 - Free time to wander around in the village
- Return back to Nicosia in the afternoon

Price per person: from 40-55 Euros depending on number of persons.

The price includes modern mini bus or bus for the above described tour, English speaking licensed CTO guide, all entrance fees involved in the program, a traditional meat meze lunch including a variety of local dishes, dessert, water and one local drink. The tour is organized by a professional travelling agency.

Everyone interested in participating at the post-conference tour (conference and non-conference participants (i.e. accompanying persons) MUST fill in this form and send it to electrospin@ucy.ac.cy by April 1st. The tour is organized by a professional tourist agency.
